Women Aware, Inc.**

Report on the Financial Statements

We have audited the accompanying financial statements of Women Aware, Inc. (the "Organization"), which comprise the statements of financial position as of December 31, 2013 and 2012, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Women Aware, Inc. as of December 31, 2013 and 2012, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying Supplementary Schedule of Public Support and Revenues on page 15 is presented for purposes of additional analysis and is not a required part of the financial statements. The Schedules of Expenditures of Federal Awards and State Financial Assistance on pages 16 and 17 as required by Office of Management and Budget Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations, and New Jersey OMB Circular Letter 04-04, Single Audit Policy for Recipients of Federal Grants, State Grants and State Aid, are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated May 20, 2014, on our consideration of Women Aware, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering Women Aware, Inc.'s internal control over financial reporting and compliance.

Women Aware, Inc.

Notes to Financial Statements
December 31, 2013 and 2012

1. Organizational Status

Women Aware, Inc. (the "Organization") is a not-for-profit organization incorporated in the State of New Jersey on April 24, 1981. Women Aware, Inc. provides protection services to adult women and children who have been physically or emotionally abused. The service is comprehensive in nature with the initial provision of safety, personal needs, counseling and numerous other related services.

As a nonprofit organization, Women Aware, Inc. is exempt from income tax under Section 501(c)(3) of the United States Internal Revenue Code.

2. Summary of Significant Accounting Policies

Use of Estimates

The financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Financial Statement Presentation

The Organization reports information regarding its financial position and activities according to three classes of net assets based on the presence or absence of donor restrictions, as follows: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Cash and Cash Equivalents

All highly liquid debt instruments with a maturity of three months or less at the time of purchase are considered to be cash equivalents for the purpose of the statement of cash flows.

Allowance for Uncollectible Receivables

An allowance for uncollectible receivables is estimated based on a combination of write-off history, aging analysis and any specific know troubled accounts. Management believes all receivables are fully collectible, therefore, no allowance for doubtful accounts is recognized as of December 31, 2013 and 2012.

Fair Value of Financial Instruments

The Organization follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data.

Women Aware, Inc.

Notes to Financial Statements
December 31, 2013 and 2012

2. Summary of Significant Accounting Policies (continued)

Fair Value of Financial Instruments (continued)

The value by input level of the Organization's investments are included in Note 5 to the financial statements.

Investments Valuation and Income Recognition

Investment are valued at fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Realized and unrealized gains and losses are included in the determination of the change in net assets.

Land, Buildings and Equipment

Land, buildings, and equipment are stated at cost or, if acquired by gift, at the fair value at the date of the gift. The Organization follows the practice of capitalizing all expenditures for land, buildings and equipment in excess of \$1,000. Depreciation is provided using the straight-line method over the estimated useful lives of the respective assets which range from 3 to 40 years.

Revenue Recognition

Revenue is derived principally from grants from government agencies, corporations, and foundations supporting the programs and services of the Organization. Grants are treated as exchange contracts and, accordingly, are reported as unrestricted revenue when the expenses related to the grants are incurred in accordance with contractual terms.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Women Aware, Inc.

Notes to Financial Statements
December 31, 2013 and 2012

2. Summary of Significant Accounting Policies *(continued)*

Donated Goods and Services

Donated goods and services are recorded at their estimated fair market value at the date of donation. Contributions of services are recognized when they are received, if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not donated. The compensation equivalent for donated services would be valued using management's estimates, if there was any.

Reclassification

Certain reclassifications have been made to prior year's financial statements to conform to the current year presentation. These reclassifications had no effect on previously reported results of operations or net assets.

Accounting for Uncertainty in Income Taxes

The Organization recognizes the effect of income tax positions only when they are more likely than not to be sustained. Management has determined that the Organization had no uncertain tax positions that require financial statement recognition or disclosure. The Organization is no longer subject to examination by the applicable taxing jurisdictions for periods prior to 2010.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is May 20, 2014.

3. Pledges Receivable

The Organization held fund-raising campaigns to enable the Organization to support programs and special events of Women Aware. The Organization does not have any material pledges due in more than one year.

4. Land, Buildings, Equipment and Depreciation

At December 31, land, building and equipment consist of the following:

	<u>2013</u>	<u>2012</u>	<u>Life</u>

6. Mortgage Payable

Mortgage payable is comprised of the following at December 31:

	2013	2012
In January 1996, the Organization entered into an agreement with the State of New Jersey Department of Children and Families ("DCF") whereby the Organization received a deed and a mortgage commitment in the amount of \$325,000 to a property with a building to maintain a shelter facility for DCF clients for twenty years. As part of the agreement, the annual mortgage payments are a reduction from the DCF's annual funding to the Organization. Since the mortgage commitment had no stated interest rate, a rate of 8.25% (prime rate as of January 1996) was used to calculate interest expense. The note reduction is treated as grant revenue in the statement of activities.	\$ 86,509	\$ 111,066

Women Aware, Inc.

Notes to Financial Statements
December 31, 2013 and 2012

6. Mortgage Payable (continued)

	<u>2013</u>	<u>2012</u>
<p>In February 2011, the Organization purchased property and a building for \$325,000. This property was secured by a mortgage through the Organization's bank. The mortgage had a fixed rate of 6.5% for five years with a monthly payment of \$1,832 and a balloon payment due March 1, 2016. In September 2012, the mortgage was paid off with proceeds from a new mortgage note from the Special Needs Housing Trust Fund in the amount up to \$565,896 for the construction and permanent financing of a supportive housing project (the "Project") from New Jersey Housing and Mortgage Finance Agency ("HMFA"). According to the Project agreement with HMFA, the Organization will own, maintain and operate this property and building and construct and/or rehabilitate the building to provide permanent supportive housing for victims of domestic violence. The new mortgage note, which matures September 24, 2042, includes a 0% interest rate and an annual principal repayment to be determined at the close of each year. Principal repayment is calculated as 25% of the Project's available cash flows after the payment of operating expenses and the funding of all escrows. To the extent that principal payments are not covered by the Project's cash flow, the payment of principal shall be deferred until the end of the mortgage term. Management believes the operating expenses and services to be provided under this Project will most likely exceed the rental income to be collected, thus all principal payments will be deferred to the end of the thirty year term. Since the mortgage commitment has no stated interest rate, prime rate, which is currently 3.25%, will be used to calculate interest expense.</p>	545,142	372,123
<p>In January 2012, the Organization entered into a grant agreement and mortgage note for \$159,000 with the New Jersey Department of Community Affairs Division of Housing (the "DCA") for renovations to their emergency shelter facility. The portion of the award to be recorded as a mortgage is \$129,900. The remaining balance of \$29,100 will be recorded as grant revenue in the statement of activities. Renovations began in late 2012 and were completed in 2013. According the agreement, the mortgage balance will not be amortized, nor will a monthly payment against the principal balance be due as there is a forgiveness of the loan if certain conditions are met. On the anniversary date of the issuance of the certificate of occupancy, which is March 1, 2013, for the shelter facility, and on each successive anniversary for ten years thereafter, 10% of the original principal will be forgiven by the DCA upon submission of a certification that the property is being utilized as an emergency shelter facility. The mortgage balance will be due and payable to the DCA upon default, cessation of the use of the property as an emergency shelter facility or termination or sale of the property. The note reduction will be treated as grant revenue in the statement of activities. Since the mortgage commitment has no stated interest rate, prime rate, which is currently 3.25%, will be used to calculate interest expense.</p>	129,900	10,095

<p>In January 2013, the Organization entered into a mortgage note for \$114,601 with the City of New Brunswick for shelter renovations. According to the agreement, the mortgage balance will not be amortized, nor will a monthly payment against the principal balance be due as there is a forgiveness of the loan if certain conditions are met. On the anniversary of the issuance of the certificate of occupancy, which is November 13, 2013, for the shelter, and on each successive anniversary for ten years thereafter, 10% of the original principal balance will be forgiven by the City of New Brunswick. The mortgage balance will be due and payable to the City of New Brunswick if the project is sold, transferred or if HOME-assisted units are rented to non-income qualified tenants during the term of the note or any other event pursuant to the HOME contract. The note reduction will be treated as grant revenue in the statement of activities. Since the mortgage commitment has no stated interest rate, prime rate, which is currently 3.25%, will be used to calculate interest expense.</p>

7. Retirement Plan

The Organization established a plan qualifying under Section 401(k) of the Internal Revenue Code, which covers substantially all employees. Eligible employees can defer up to the maximum rate allowed by the Internal Revenue Code from their compensation. The Organization has a voluntary matching contribution to the plan, which is 100% of the first 3% of compensation. The Organization's prior Section 403(b) plan was frozen. The employer match on the 401(k) plan was \$22,766 and \$24,989 for the year ending December 31, 2013 and 2012.

8. Temporarily Restricted Net Assets and Net Assets Released From Restrictions

Temporarily restricted net assets were available for the following purpose at December 31,:

	<u>2013</u>	<u>2012</u>
Program services	<u>\$177,428</u>	<u>\$ 112,926</u>

Net assets were released from donor restrictions by incurring expenses satisfying the restricted purpose for the years ended December 31,:

	<u>2013</u>	<u>2012</u>
Program services	<u>\$112,926</u>	<u>\$ 128,969</u>

9. Risk Concentrations

Demand Deposits

The Organization occasionally maintains deposits in excess of federally insured limits.

Funding Concentration

The Organization administers programs funded primarily by the New Jersey State Department of Children and Families ("DCF"). A significant reduction in this level of support would impact the Organization's programs and activities. The Organization does receive funding from other state agencies, contributions and service recipients.

Notes to Schedules of Expenditures of Federal Awards and State Financial Assistance Year Ended December 31, 2013 and 2012

A. Basis of Presentation

The accompanying Schedules of Expenditures of Federal Awards and State Financial Assistance (the "Schedules") includes the federal and state grant activity of Women Aware, Inc. (the "Organization") under programs of the federal and state governments for the year ended December 31, 2013. The information in these Schedules is presented in accordance with the requirements of Office of Management and Budget (OMB) Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations* and New Jersey Office of Management and Budget Circular Letter 04-04, *Single Audit Policy for Recipients of Federal Grants, State Grants and State Aid*. Because the Schedules present only a selected portion of the operations of the Organization, they are not intended to and do not present the financial position, changes in net assets or cash flows of the Organization.

B. Summary of Significant Account Policies

Expenditures reported on the Schedules are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in OMB Circular A-122, *Cost Principles for Non-profit Organizations*, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Pass-through entity identifying numbers are presented where available.

Independent Auditors' Report

**Board of Directors
Women Aware, Inc.**

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the financial statements of Women Aware, Inc. (the "Organization"), which comprise the statements of financial position as of December 31, 2013 and 2012, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements, and have issued our report thereon dated May 20, 2014.

Internal Control over Financial Reporting

In planning and performing our audits of the financial statements, we considered Women Aware, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Women Aware, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Women Aware, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**Report on Compliance For Each Major Program and Report on Internal Control Over
Compliance Required by OMB Circular A-133 and NJ OMB Circular Letter 04-04****Independent Auditors' Report****Board of Directors
Women Aware, Inc.****Report on Compliance for Each Major Federal and State Program**

We have audited Women Aware, Inc.'s compliance with the types of compliance requirements described in the OMB Circular A-133 Compliance Supplement and New Jersey State Grant Compliance Supplement that could have a direct and material effect on each of Women Aware, Inc.'s major federal and state programs for the year ended December 31, 2013. Women Aware, Inc.'s major federal and state programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal and state programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of Women Aware, Inc.'s major federal and state programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations. Those standards and New Jersey OMB Circular Letter 04-04 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal and state program occurred. An audit includes examining, on a test basis, evidence about Women Aware, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal and state program. However, our audit does not provide a legal determination of Women Aware, Inc.'s compliance.

Opinion on Each Major Federal and State Program

In our opinion, Women Aware, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal and state programs for the year ended December 31, 2013.

Report on Internal Control over Compliance

Management of Women Aware, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Women Aware, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal and state program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal and state program and to test and report on internal control over compliance in accordance with OMB Circular A-133 and New Jersey OMB Circular Letter 04-04, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Women Aware, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal and state program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal and state program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal and state program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133 and New Jersey OMB Circular Letter 04-04. Accordingly, this report is not suitable for any other purpose.
